

WHERE THE SEA BECOMES THE STAGE

## THE CONCEPT

An innovative floating venue designed to become Malta's premier attraction. By prioritizing unparalleled quality and an immersive, out-of-the-ordinary experience, it caters to discerning guests who value innovation and exclusivity. More than just a destination, "Noma Island" will serve as a powerful marketing asset for Malta, seamlessly integrated into the proven channels of its owners.

Poised to disrupt traditional land-based venues, this project embraces innovation in luxury entertainment and events

## CORPORATE EVENTS

Noma Island offers a versatile platform for world-class events in a setting like no other. From high-impact corporate conferences and executive retreats, to elegant weddings, fashion shows, and gastronomic experiences, every occasion is elevated by panoramic sea views and cutting-edge facilities.

By day, guests can take part in wellness retreats, yoga sessions, or enjoy thrilling water sports like jet skiing, canoeing, and parasailing. By night, the venue transforms into a vibrant hub for music events, featuring international and local DJs, immersive lighting, and a custom-built dance floor.

Whether you're planning a stylish product launch, a creative team-building experience, or a luxury private celebration, Noma Island is built to host the extraordinary.
